Keep warm with your pooch this season by purchasing the best dog blanket for you and your best friend. With plenty of options available to stay cozy from waterproof blankets to extra snuggly blankets, we have quite a selection for all breeds and sizes of dogs. Blankets are not only warm in the colder months, they're useful as layers for crates, car rides, and other modes of travel. Keep your pooch comfortable because a comfortable pooch is a happy pooch.

Our selection of waterproof blankets due service to puppies and older dogs who have trouble holding it in or need extra time to get outside and may not make it and are machine washable. They're great to line your dog's crate with or lay on the bed if your dog is prone to accidents but you don't want them sleeping on the floor. Keep your dog cozy and happy with a waterproof blanket that will double as extra protection for you and your home.

Other dog blanket choices stem from breed size to material, and we have plenty of options for both so no matter what you're looking for this season, you'll be sure to find the best dog blanket that suits your needs and your dogs of course. From blankets to wearable (but washable!) coats to cuddle caves, we have something for you. Check out our favorite options for dog blankets below and don't forget their favorite [chew toys](#) too.

1. Blue Zoca Waterproof Blanket

BEST FOR PUPPIES AND SENIORS

Keep your dog cozy with this double sided blanket that will also protect your bed or couch. If you have an older dog or a litter of puppies who aren't yet potty trained, lay this snuggly blanket down for them to nest in while not having to worry about accidents. With materials like polyester fleece on one side and a waterproof core in the middle, you can take this blanket to the beach, camping, or on car trips to keep your best friend happy and comfortable. This is an extra large blanket that's great for large dogs or for large spaces.

4. PetMaker Waterproof Blanket

SECOND BEST WATERPROOF BLANKET

The PetMaker blanket is a great choice for pet owners who are constantly cleaning up accidents, spills, or any other type of mess that involves their dog. From puppies to seniors, accidents happen, which is why an easy to wash blanket that repels most liquids and materials is useful in any home. With flannel on one side that repels water and sherpa fleece that absorbs liquids on the other that stops anything from seeping through, this blanket will protect your furniture more than anything. Available in assorted colors and sizes, this is the type of blanket you may want to buy in bulk.
