Summer is right around the corner and there's no better way to relax and refresh than with some ice cream. I'll be honest, I'm an avid ice cream lover. Hand me a pint of Ben & Jerry's or Blue Bunny and it's game over. However, I'm always on the lookout for other ice cream brands to stock my freezer with and now FatBoy is one of them.

Prior to last week, I've never heard of FatBoy, but now it's all I've been eating. From ice cream sandwiches and cones to pops and tubs, FatBoy has something for everyone.

FatBoy Ice Cream Cones

I'm usually not a fan of cones, but FatBoy changed my mind. This Chocolate Fudge Brownie flavor is one of the brands latest additions and it's amazing.

Made with premium chocolate ice cream with fudge ribbon and brownie bites topped with chocolaty drizzle and chocolate chunks in a chocolaty-lined chocolate cone - this is chocolate perfection.

Some of the other flavor cones FatBoy has includes Sundae Best, Cookie Dough and Caramel Praline.

Looking for a dessert to satisfy those sweet and salty cravings? This Caramel Pretzel Sundae will do just that. Made with caramel ice cream dipped in rich milk chocolate & crispy pretzels, this flavor boasts a sweet and salty flavor that will hit the spot.

FatBoy's other Ice Cream Sundae flavors are Vanilla Nut, Toffee and Cherry Cordial.

FatBoy Ice Cream Sandwiches
