January 31, 2021

If there's one truth we know, it's that just about everyone loves ice cream, and if you're lactose intolerant or following a vegan diet, you don't have to live without this delicious frozen treat. With the surge of milk alternatives on the market, there are more dairy-free ice cream options in the freezer aisle than ever before! However, with *so* many to choose from, how can you be sure that the pint you pick will hit all the marks: rich, creamy and tons of flavor? Before you melt at the grocery store, here are 15+ of our favorite vegan ice creams.

Coolhaus Dairy-Free Choose Your Own Ice Cream Pints

\$89.00 for 5 pints

Goldbelly

Beloved women-owned ice cream company Coolhaus does it again with this irresistible line of dairy-free pints. Made from a special vegan base that contains pea protein, brown rice and organic cocoa powder, these milk-free creations are the perfect way to get your dessert fix without any guilt what-so-ever. With mouthwatering flavors like Chocolate Sandwich Cookie Crumb, Cookie Dough Lyfe, Dirty Mint Chip, Salted Caramel Crunch and Peanut Butter Fudge Chip, you won't be able to tell the difference between the brand's dairy-free pints and their original ice creams.

Eclipse Foods Vegan Cookie Butter Ice Cream

\$11.99

Eclipse Foods

If you're looking for a vegan frozen dessert that has the same exact taste and texture of traditional milk-based ice creams, allow us to introduce you to your newest obsession. Made from a unique blend of cassava, oats, corn and potatoes, Eclipse Foods plant-based ice cream pints are a total game changer. Choose from classic flavors like vanilla and chocolate or go for the brand's fan-favorite cookie butter — it's studded with velvety ribbons of buttery cookie crumbs. You'll also want to check out their [Chef Collection](#), which features elevated flavors like Mango Coconut Sticky Rice, Cocoa Black Sesame Tahini and Coffee Halvah Chocolate Chunk, and is made in collaboration with well-known restaurants from across the country like NYC's [Pig and Khao](#), LA's [Botanica](#) and NYC's [American Bar](#).

Graeter's Perfect Indulgence Frozen Desserts

\$89.95 for 6 pints

Graeter's

After 150 years of making some of the creamiest ice creams on the market (you can thank the company's French Pot freezers for that), Graeter's newest line of offerings is all about giving everyone — from vegans to those that are lactose intolerant — a moment of pure indulgence. Created in partnership with [Perfect Day Foods](#), Graeter's Perfect Indulgence line uses animal-free dairy that's made from proteins sourced from fungi. We couldn't get enough of the Black Cherry Chocolate Chip flavor which features Graeter's unique bittersweet chocolate chips and bursts of tart black cherries.

OddFellows Vegan Ice Cream Collection

\$109.00 for 6 pints

Goldbelly

Known throughout NYC as "Brooklyn's Finest," OddFellows ice cream is all about taking everything you thought you knew about the frozen treat and turning it on its head (just check out the Bacon, Egg and Cheese flavor from their new Bodega Collection.) Their line of vegan ice creams is no different. With yummy flavors like Chocolate Chunk, Cinnamon Apple Walnut, Hazelnut Praline and Matcha Black Sesame, each one is made from a variety of plant-based milks including cashew, walnut, coconut and oat. You can also get a customized message written across the top of each pint lid if you're sending the collection to someone extra special.

Oatly Chocolate Non-Dairy Frozen Dessert

\$4.99

Target

Oat milk lovers, this one's for you. Cult-favorite Oatly has churned their signature oat milk into a vegan-friendly treat. We're big fans of the texture of this frozen dessert — the creaminess of the oat milk gives each pint the smooth and rich feel of regular ice cream. Be sure to check out their strawberry, vanilla, original, chocolate chip, mint chip and coffee varieties.

Jeni's Splendid Ice Creams Dairy-Free Pints

\$58.00 for 5-pack

Jeni's Splendid Ice Creams

In early 2019, Jeni's Splendid Ice Creams added a line of coconut cream-based ice creams to their collection. The ice cream company's non-dairy assortment now includes five flavors: Dark Chocolate Truffle, Lemon Bar, Texas Sheet Cake, Cold Brew with Coconut Cream and Caramel Pecan Sticky Buns. Folks looking to avoid animal products can also check out Jeni's Frosé Sorbet, a fruity, sangria-style treat.

Cado Non-Dairy Avocado Frozen Dessert Deep Dark Chocolate - 1pt

\$5.99

Target

Hear us out on this one — ice cream made from avocados. Yup, it's a thing! Meet Cado, the first-ever ice cream made from cold-pressed avocados. Now, just because this ice cream is made from avocados doesn't mean you'll get a mouthful of mushy green. Each bite is creamy and sweet, and we think the Deep Dark Chocolate flavor tastes *exactly* like a fudge pop.
