[Back](#)

Dreaming of endless bowls of delicious vegan ice cream, but don't live near a vegan ice cream shop or store that sells plant-based pints? With these 11 vegan ice cream brands that ship nationwide, you can stay in and enjoy an ice cream sundae while watching your favorite vegan documentary or order up a selection of flavors to send to friends and family as a special surprise. These brands ship vegan pints, cones, and sammies straight to your door!

### **Nubocha**

It's creamy, smooth, and scoopable! Nubocha uses simple ingredients and allulose, a diabetic-friendly alternative, as a sweetener to create a sugar-free delicacy (only 250-330 calories per pint!) that will surely satisfy your late-night cravings. Available in Chocolate Arriba, Tahitian Vanilla, Salted Caramel, Pistachio (limited edition), and Peanut Butter (our favorite!)—each flavor is keto-friendly, gluten-free, and dairy-free. Want in on this vegan dessert? Visit [Nubocha.com](http://Nubocha.com) to have delicious gelato delivered straight to your door.

## **NadaMoo!**

---

NadaMoo!, a Texas-based brand, makes 20+ flavors using creamy coconut milk and agave syrup as a sweetener. They offer everything from classic Pistachio Nut and Birthday Cake Cookie Dough to S'mores ice cream (featuring a marshmallow-y base with chocolate fudge swirls and graham cracker pieces). Order online to stock your freezer with a pack of five. We love to top NadaMoo! scoops with sliced almonds and vegan whipped cream.

**Coconut Bliss**

Coconut Bliss recently reformulated their coconut milk-based ice cream, replacing agave syrup with coconut syrup as a sweetener. Legendary Cookie Dough, Chocolate Peanut Butter, Mint Chip Galáctica, and more are all available for purchase online. Be sure to check out their gluten-free ice cream sandwiches and new single-serve ice cream cups, too!

## **So Delicious**

So Delicious is an OG brand available at most stores, and now they ship their pints and bars nationwide! The brand offers products formulated with cashew milk, coconut milk, oat milk, or almond milk—perfect for those who love a little variety. The dairy-free Dark Chocolate Truffle, Chocolate Hazelnut Brownie, and Salted Caramel Cluster are just a few of the flavors available for purchase online.

**Daily Harvest**

---

Daily Harvest is known for its healthy plant-based smoothies, flatbreads, harvest bowls, and ever-so indulgent Scoops. Available in five flavors, Daily Harvest is decadent, creamy, and chock-full of whole food ingredients such as rich coconut cream, maple syrup, and superfoods (think reishi, ashwagandha, spirulina, and more). How many Scoops is too many? Asking for a friend.

**Arctic Zero**

Arctic Zero provides a lower calorie (160-180 calories per pint), lower fat option using faba bean protein as a base in their product. Cake Batter, Chocolate Peanut Butter, and Vanilla are just a few of the flavors that can be purchased online. Pro tip: Leave the ice cream out for a couple of minutes to soften before you dive in!

## Jolly Llama

Jolly Llama's dairy-free and gluten-free ice cream cones and sandwiches are a game changer! Vanilla Fudge Sundae cones with the fam screams summertime vibes and the Cool Mint Chocolate Chip Sandwich adds a twist on a drool-worthy classic. The brand ships these delightful and allergy-friendly handhelds—so grab a box ... or five.

## **Brave Robot**

Brave Robot creates its base using animal-free dairy from Perfect Day (a whey protein that is similar to dairy but made without animal products). The lactose-free and vegan formula provides a similar texture to its dairy counterpart without the use of animals and is available in Vanilla, Buttery Pecan, Hazelnut Chocolate Chunk, and more.

## **Ben & Jerry's**

---

### *Vegan-Friendly*

Ben and Jerry's is famous for its innovative flavors and cult classics. Check out their non-dairy options: [Americone Dream](#), [The Tonight Dough](#), [Karamel Sutra Core](#), [Phish Food](#), and [Colin Kaepernick's Change the Whirled](#)—each made with almond milk and a combination of swirls, mix-ins, sweet and salty bites, cookie dough, or chocolate chips! Shop via their [online store](#) and taste test them all.

## Van Leeuwen

---

### *Vegan-Friendly*

Van Leeuwen sells ice cream by the pint. The scoop shop is known for its vegan cashew milk- and oat milk-based offerings. Enjoy your favorite flavors straight from your freezer. We are loving Vegan Peanut Butter Brownie Honeycomb, Cookie Crumble Strawberry Jam, Oat Milk Brown Sugar Chunk, and Mint Cookies & Cream!

## **CoolHaus**

---

### *Vegan-Friendly*

CoolHaus is women-owned and offers vegan-friendly options! Order dairy-free pints or ice cream sammies online with next-day air delivery available. Dairy-free sammie flavors include Tahitian Vanilla, Dirty Mint Chip, Cookie Dough Lyfe, and OG Vanilla. The treats are made using a blend of non-GMO yellow peas, whole grain brown rice, and organic cane sugar. A minimum order of six pints or sammies is required for shipment.
