[**Hasbro Gaming The Game of Life: Super Mario Edition**](#)

If you're gifting for a board game-lover between the ages of 8 and 12, this Amazon's Choice pick will earn you the title of No. 1 Mom or Dad. Older players will experience the nostalgia of one of their favorite childhood games, while the younger ones have fun battling Bowser and collecting stars until "retirement."

Hasbro Gaming Jenga: Fortnite Edition

Inspired by the popular video game, this Jenga set keeps things interesting with colored pieces, character appearances and a new spinning feature that can make the race to the top more challenging.

Lego Creator Easter Bunny

Creator Easter Bunny.

\$16.89.

This may not technically be a board game, but if they like to build, this little set still makes for a great basket stuffer. It includes over 60 pieces that they can use to build a sweet bunny.

Taco Vs. Burrito Card Game

This easy-to-learn food-themed game keeps kids having fun until the very last card is played. The game is quick and is appropriate for ages 7-77, according to the brand.

Game Night in a Can

This colorful can contains 30 different mini games appropriate for three to 30 players.

Telestrations

Telestrations

\$19.99

A game of telephone meets the drawing action of Pictionary in this fun family game.

Disney Codenames

In this card game, players listen to one-word clues to try to correctly guess the Disney character. Not only is this fun for hardcore Disney fans, it's also a great way for kids to improve their vocabulary and description skills.

USAopoly Blank Slate

A party game where you predict what others are thinking, Blank Slate is perfect for kids ages 8 and older.
